

UNIVERSITY of LIMERICK

OILSCOIL LUIMNIGH

UL grading system

The quality of a student's work in a module is indicated by a letter grade awarded following the completion of the module. Each of these letter grades is assigned a Quality Point Value (QPV) on a scale from 4 to 0. This cumulative score is called a Quality Credit Average (QCA).

The following table outlines the UL grades awarded and the ECTS equivalents.

UL Grade	UL QPV	ECTS Grade	ECTS credits awarded
A1	4.00	A	Yes
A2	3.60	A	Yes
B1	3.20	B	Yes
B2	3.00	B	Yes
B3	2.80	B	Yes
C1	2.60	C	Yes
C2	2.40	C	Yes
C3	2.00	D	Yes
D1	1.60	D	Yes, if QCA ≥ 2.00
D2	1.20	E	Yes, if QCA ≥ 2.00
F	0.00	F	No
P	Pass in a module taken on a Pass/Fail basis		Yes
N	Failure in a module taken on a Pass/Fail basis		No
G	Audit (no exam to be taken)		No
I	Incomplete		No
NG	0.00	F	No

Minimum standards

To meet the minimum standards of academic performance in each semester, year or part of a programme, the QCA must be ≥ 2.00 and the student must not have received any grade less than D2 in each required module of the programme to date. D1 and D2 are compensating fail grades. If the QCA is greater or equal to 2.00 and includes D1 and/or D2 grades, the student can proceed to the next stage of the programme.

ECTS Grading Scale

ECTS Grade	% of successful students normally achieving the grade	Definition
A	10	Excellent - outstanding performance with only minor errors
B	25	Very Good - above the average standard but with some errors
C	30	Good - generally sound work with a number of notable errors
D	25	Satisfactory - fair but with significant shortcomings
E	10	Sufficient - performance meets the minimum criteria
F	-	Fail - further work is required

ECTS Credits

Students are awarded the associated ECTS for each module they have passed.

1 full academic year	=	60 credits 10 Classes/Modules
1 semester	=	30 credits 5 Classes/Modules
